**Get ready for the rainy season now!**

**Get your seed, plant, and erosion control requests in before the October 15th regulatory deadline!**

**CCW Erosion Control Seed Mix**  
**\$120/bag**

- 1.5lb bag covers ~ 1,000 sqft ~ Performs over a range of sun/dry to shade/moist.
- Seed mix of *Elymus glaucus*, *Bromus carinatus*, *Hordeum brachyantherum*, *Festuca rubra* 'Molate', *Festuca microstachys*, *Trifolium wildenovii*.
- Keep seeds moist in the ground for 2 weeks, or until germination.
- Plant now with irrigation or reserve and let nature water in the fall!

**Aesculus californica**  
**(California Buckeye)**  
**1 TP4 @ \$11.95**

- Grows 17 to 39 feet tall
- Creates white flowers that bloom abundantly in spring
- Very low water needs
- Likes full sun

**Quercus lobata**  
**(Valley Oak)**  
**1 TP4 @ \$11.95**

- Grows 45 to 84 feet tall!
- Provides large acorns for local wildlife
- Very low water needs
- Likes full sun or partial shade

## Central Coast Wilds - October 2024 Highlights

**Salvia spathacea  
(Hummingbird Sage)**

**1 Gallon @ \$19.95**

- Beautiful flowers that attract pollinators, including hummingbirds!
- 1 to 3 feet tall, spreads via rhizomes
- Requires partial to full shade
- Low water needs

**Symphoricarpos albus  
(Common Snowberry)**

**1 DP40 @ \$13.95**

- 3 to 6 feet tall and 6ft wide at maturity
- Produces large white berries that are favored by birds
- Grows best in partial sun to full shade
- Spreads via rhizomes

**Ribes sanguineum  
(Red Flowering Currant)**

**1 TB5 @ \$4.95**

- Fast growing shrub with vibrant dark pink hanging flowers
- Grows 6-8 ft tall and 6-10 ft wide
- Does best in partial shade
- Creates dark purple berries that birds consume
